The pre-qualification of the SSCs will be effective after in-writing acceptance of following terms and conditions:

- The above-mentioned agreed prices will be treated as upper limit and concerned SSC will not charge price beyond this limit in any case. The violating firm will be treated as per the Govt rules and policies.
- The quoted prices Laser Land Levelling Equipment are negotiable downward by the farmers/service

providers during booking of LASER units.

- c. The prices will be valid till the completion of scheme i.e., 500 Laser Land Levelling Equipment's.
- d. The SSC will provide one complete set of each approved equipment (as per the combination quoted by the SSC), which will be used as sample/reference for monitoring the quality of LASER units delivered to the farmers/ service providers. The sample will be returned after the completion of scheme on satisfactory performance of the Land Laser levelling Equipment on the basis of no complaints/shortfalls.
- e. The SSC will provide the orientation of the equipment as per the requirement to the concerned farmers/service provider/Deputy Directors (OFWM/SIAPEP) to facilitate for selecting the combination of Laser Land Levelling unit.
- f. The SSC will be responsible to supply the complete set of approved LASER unit as per the combination to the allottees' choice on turnkey basis (equipment supply, operations, demonstration and handing over etc.).
- g. The farmers/ service providers will book their equipment with the chosen SSC among the pre-selected SSCs by submitting of original demand/bank draft of his entire share (55% of the complete set of equipment) in favor of selected SSC to the office of Project Director SIAPEP or through concerned directorate SIAPEP Upper & Lower.
- h. The Project Director SIAPEP will issue the photocopy of submitted demand/bank draft of farmer share along with the advice/workorder to the concerned SSC for booking of Laser Equipment and ensure the delivery of complete set of equipment at the chosen destination i.e., Agriculture Engineering Workshop/ venue specified in the Work Order, after completing the process of delivery, the original demand/ bank draft of the farmer share will be provided to the SSC.
- i. The SSC will ensure delivery of booked LASER unit within stipulated period (i.e., not exceeding two (02) months' time) and defaulting SSC will be dealt as per rules.
- j. In case of failure of SSC to deliver the LASER unit within specified timeframe, the allottee will have the choice to cancel his booked Laser Unit and may have the choice to book the LASER unit with any other prequalified SSC through the office of Project Director SIAPEP.
- k. The inspection of delivered complete LASER unit at the specified destination will be carried out by the dedicated Inspection Committee to be constituted by the Project Director SIAPEP in accordance to the approved specifications and maintain the complete record of information.
- l. The inspection report duly signed by the inspection committee and counter signed by the concerned Director of SIAPEP Upper & Lower will be submitted to the Project Director SIAPEP for approval and releasing the full payment of equipment (project & farmer share) to the concerned firm/SSC.
- m. The SSC will be bound to provide after sale services during the warranty period. The SSC will essentially establish the Service Centres in Sindh province to facilitate the farmers/service providers.
- n. The SSC violating any of the above terms & conditions or any other terms & conditions issued by the authority will be treated as per rules, which may lead for blacklisting of the SSC for remaining project period as well as for other government supplies.
